

Collection Systems Seminar and Exhibition

NOVEMBER 4, 2009

Hyatt Lisle
Lisle, IL

ILLINOIS WATER
ENVIRONMENT ASSOCIATION

About the Conference

This conference is intended to offer a program addressing sanitary sewer collection systems issues. A variety of speakers and programs designed to provide a basic course in the areas of operations, maintenance, and system safety will be presented.

Who Should Attend

This conference is designed for all individuals involved in the operation, maintenance, construction and design of collection systems. This may include municipal operators, laborers, engineers, and any other individuals involved in the business of collection systems.

Course Date and Location

When: Wednesday, November 4, 2009

Where: Hyatt Lisle

1400 Corporetum Drive, Lisle, IL
Just off Route 53
