

Biosolids Committee Report- December 03, 2015

Lakhwinder Hundal - Biosolids and Committee Chair

Ryan Christopher - Biosolids and Resource Recovery Committee Vice-Chair

The Biosolids and Resource Recovery Committee presents the following status for goals established for 2015-2016:

Goal: Host a half day of presentations at the 2016 conference.

Topic: Sustainability and Beneficial Reuse of Biosolids

Status: Biosolids committee finalized the speakers for the conference. Two prominent researchers from Purdue and Ohio State will be presenting.

Goal: Improve sustainability of biosolids land application practice in Illinois

Status: The committee will work with MWRD to host a one day workshop educate professional about Nutrient Management in Biosolids-Amended Fields. The workshop date is 1/25/2016.

Respectfully submitted:

Lakhwinder Hundal

Dr. Lakhwinder S. Hundal
Biosolids Chairperson
