Plant Operations Report
Greg Garbs, Chair

February 24, 2011

The plant operations committee presented the Plant Operations Seminar in DeKalb, IL on July 25, 2010. The Seminar was held at the Best Western in DeKalb. There were about 34 attendees. The committee put together a great program that was both fun and informative.

Financials are as follows: (amounts rounded to nearest dollar)

Revenue:	\$1,706	(Pre registration, internet registration, door registration)
Expenses:	\$1,242	(Hotel room, lunch, continental breakfast)
Net gain:	\$ 464	

The committee was active this year. There were two articles submitted to the Clarifier for publication.

I want to take this time to thank my committee for their hard work. Without their efforts, the seminar would not be the continuing success it is. A new Plant Operations Committee Chair has volunteered to head this committee. Please welcome Andy Warmus as Plant Operations Chair. I will continue as a member of the Plant Ops committee and assist Andy as much as possible.
