

Website Report March 21, 2011

Committee Chair: Mary Johnson

The Website committee maintains the IWEA website, produces the monthly e-newsletter and other email communications, and arranges for on-line event registrations. It is our goal to do these activities in a timely and accurate manner.

The Website committee chair thanks committee members Andy Ftacek, Sue Glavan, Sonia O'Dell, and Dennis Priewe for their editing advice and excellent proof reading skills.

The committee relies on IWEA members for input. Please contact Mary Johnson regarding publicizing items of interest in either the website or the e-news.
