Ted Denning

Publication of new member names in the *Clarifier* continues.

Membership totals presently stand at 867, which includes approximately 109 MA only members. The WEF database number of new members indicated is 125. There are 670 primary members, a decrease from 2017.

During the most recent one year period the records indicate there have been 60 new members.

Our goals for the upcoming year are as follows:

- Membership Directory – Ready for Distributed to the Executive Committee and Committee Chairs by e-mail. Updates available upon request.
- Reduce the frequency of receiving bad/no address mailing
- Updated or revised formats of the directory's available on request.
- Publication of new member names in the *Clarifier* continues.
- Accurate mailing lists provided as needed.
- Updated database with WEF.

I would like to thank the committee members who have done all that has been asked of them in the past years.

Respectfully Submitted, Frederick S. Wu, Chair
